GOOD QUESTIONS. CLEAR ANSWERS.

THE THINGS COUPLES MOST OFTEN WANT TO KNOW BEFORE BOOKING

Will you be our DJ & MC?
Yes. You'll work directly with me, from your Vision Meeting through your final song. The person you meet is the person leading your celebration.

Do you take requests from guests?
Yes. When they fit your vision, respect your do-not-play list, and feel right for the moment. Every request still serves the celebration you've imagined.

What happens if you can't perform?
My assistant is a qualified DJ & MC and is familiar with your plans. If I'm ever unable to be there, he can confidently step in and lead your celebration.

Can we choose our own music?
Absolutely. Your favorites, must-plays, and do-not-plays shape the celebration. I'll help organize your ideas and fill in the spaces between them.

What is your MC style?
Warm, confident, and natural. I'll keep everyone informed and the celebration moving without making your wedding feel like a performance.

What happens if equipment fails?
Built-in backup systems protect every essential part of the setup. Your music is backed up across multiple devices, so your celebration can continue uninterrupted.

LOTS OF LOVE. LOTS OF FIVE-STAR REVIEWS.

ACROSS GOOGLE, WEDDINGWIRE, THE KNOT AND YELP. HERE ARE A FEW OF MY FAVORITES

"He brought such great energy to our wedding and truly helped keep the crowd on the dance floor all night long. Beyond that, he was incredibly kind, easy to work with, and made the whole experience stress-free and so much fun."

Karina M.
Bride

"He also had really good insight into what makes a wedding reception flow well … the result was a reception that went better than I ever could have expected, and a dance floor that stayed popping the entire night!"

Annie B.
Bride

"I've had the joy of working with Del at many weddings as a photographer, and I can honestly say he's one of the most reliable and skilled DJs out there. He was my top pick when I was searching for a DJ for my own wedding, which speaks to how much I trust him."

Mattias Ezcurra
Owner, Mattias Ezcurra Photography · Groom

"It takes a lot of talent, practice, and hard work to truly become a Master of Ceremonies. At our reception, Del was the definition of a Master of Ceremonies. He ran the show from start to finish and did so in a fun yet professional manner."
